

Southern California Edison
Circle City and Mira Loma-Jefferson PTC A.15-12-007

DATA REQUEST SET A1512007 ED-SCE-16

To: ENERGY DIVISION

Prepared by: Paul McCabe, P.E.

Title: Project Manager - Grid Modernization, Planning, & Technology

Dated: 12/27/2017

Question 17:

Regarding SCE Response to Data Request 15, Question 7:

Provide all known new developments that will contribute to load growth, including the approximate load addition for each development, as well as the approximate load additions for the examples already provided.

Response to Question 17:

Please see the attachment titled "A.15-12-007 ED-SCE-16 Q17.xlsx" which provides information on known near-term projects/developments (anticipated to occur within the next three years) which will contribute to load growth in the ENA. The list includes projects for which information was readily available and which the connected demand was greater than 300 kVA.
